SUB:- Amalgamation of plots with relaxation in margins

REF:- 1) Circular No.1-31-441-94 dt. 3.6.1994 for amalgamation  
of plots  
2) Licence Agreement of the Corpn. done with the allottees

Vide above referred circular, necessary instructions were issued for submission of proposal to HO for amalgamation of plots, where margin relaxations are required due to increase in plot size as a result of proposed amalgamation.

It is hereby instructed to consider and forward cases of amalgamation of plots only in following conditions:-

1. Necessary relaxation of margins for plots in which sheds are constructed by GIDC is required due to amalgamation.
2. If adjoining plots are acquired by allottee for expansion after completion of utilization period as per circular referred above at No.2.

If the plots are transferred or acquired for expansion, prior to approval of plans in allotted plots, then necessary margins should be maintained considering the amalgamated plot area and no relaxation shall be considered to be granted for such amalgamation cases.

Only after verifying genuineness of the case, proposal for relaxation of margins required due to amalgamation of plots may be forwarded to HO.

All field officers are hereby instructed to verify the genuineness and strictly follow this with immediate effect.

This circular takes immediate effect.
