CIRCULAR

To,
All SEs, / XENs, / DEEs.

Sub : Simplification for "on-line water supply connection".

At present the allottees require approved building plans and site inspection by other DEE to get the water supply connection.

Now onwards, up to and including 4000 sq.mt area of plot, no need to demand

1. Plan approval for releasing the water supply connection.
2. Site inspection report by other DEE

And for polluting industries, CTE / CTO certified by GPCB shall have to be submitted by Allottee.

Chief Engineer

GIDC, Gandhinagar.

Copy to :

3. All Concern Officers
4. Manager (S&A), GIDC, Gandhinagar for immediate implementation and to upload circular on website.
5. M/s. DEV ITPL, Gandhinagar for immediate implementation
