7. Circular No. GIDC/ENG/CE/15 dated 11.10.2024
8. Circular No. GIDC/ENG/CE/02 dated 09.05.2025

Under the DPIIT's Ease of Doing Business initiative, the Government of Gujarat has consistently taken proactive measures to improve the business climate in the state by supporting both prospective and existing industrial units. These efforts have focused on simplifying processes, reducing procedural levels and time limits for various applications.

In continuation of these reforms, and in alignment with the framework provided by DPIIT for Gujarat 2025–26, the Gujarat Industrial Development Corporation (GIDC) has mandated the elimination and revision of physical touchpoints in application processes, to ensure greater efficiency, transparency, and ease of doing business.

As part of these changes, GIDC mandates that there shall be no requirement of a physical site investigation for the following applications:

1. Building plan approval (Fresh Approval)
2. Water supply connection
3. Drainage connection

(As approved by Hon'ble VC & MD)
