Sub:- Regarding providing details of trees yielding fruits, big trees & their type during PT Survey (joint measurement) of land acquired by GIDC for Industrial Estates

Ref:- Circular No.GIDC/O&M/GM/LAND/Demarcation/09 dtd. 18/2/2011

-: CIRCULAR:-

Instructions for preparation of PT Survey, Contour Survey, and Joint measurement for the land acquired by GIDC for establishment of Industrial Estates have been issued vide circular No.GIDC/O&M/GM/Land/demarcation /09 dtd. 18/2/2011. Agreement regarding land survey is done on 100 Rs. Stamp Paper between the Corporation & private survey agency. Conditions are clearly specified on Page No.2 of the agreement. In condition No.3, it is clearly mentioned that the existing construction like kuccha/pakka, buildings, hutments & compound wall, wire fencing etc. existing on the land to be surveyed, shall be hatched & clearly highlighted. Moreover, the roads & cart tracks, private roads, partial roads, type of roads, nala, wells, fenced area, (vado), lakes, trees yielding fruits, big trees, mounds & pits, kotars, crop yield, electric lines with its type, water supply lines, oil pipe lines, highway width of railways with its centre line and boundary, flow & direction of water way should be clearly shown.

During PT Survey, (joint measurement) of any industrial estate, as mentioned in condition No.3 of the agreement, the type of the trees on site should also be indicated from now onwards

These instructions should be scrupulously followed by Regional Managers/Divisional Managers of all the field offices.
