CIRCULAR

Subject: Mandating online submission and processing of applications through Investment Facilitation Portal (IFP) for select applications under Ease of Doing Business (EODB) initiative

Under the Gol's Ease of Doing business initiative, Government of Gujarat is making lot of efforts to create a platform for providing best support for all prospective and existing business community in the state by reducing the number of levels in the approval processes. In order to support state government's efforts towards achieving operational efficiency, GIDC has introduced following online applications:

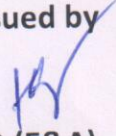

- Application for Land
- Water Connection
- Drainage Connection
- Plan Approval
- Plinth Check certificate
- Building Completion/ utilization certificate

As per the guideline provided in the Business Reform Action plan (BRAP) 2017 GIDC mandated that henceforth no physical application/hard copy will be accepted for above select applications and all applications shall be made only through IFP.
